About Arcola Center

On completion, Arcola Center will include eight flex/R&D buildings totaling 288,840 square feet of space and two single-story office buildings totaling 48,080 square feet of space. All buildings offer free, on-site parking.

Arcola Center is conveniently located adjacent to Dulles International Airport and the Dulles Landing shopping center, which offers a variety of amenities including shopping, restaurants and personal services. The business park is surrounded by a diverse residential area featuring both mature and new communities, and draws from a highly-educated and talented labor pool throughout Northern Virginia.

Arcola Center is just 30 miles west of Washington, D.C. in Loudoun County, Virginia. Loudoun County is among the nation's top earning counties and its' population is consistently one of the fastest growing of all counties in the United States. Ashburn, Virginia holds the world's largest concentration of data centers with more than 70% of the world's internet traffic.
