# Investment Overview

We are pleased to present an opportunity to acquire a single-tenant, fee-simple Dollar Tree in Wichita Falls, TX, 100% leased on a net-lease basis to a major, international corporate chain (NASDAQ: DLTR) traded as an S&P 500 component. The lease commenced in 2022 and features approximately 7 years of firm lease term remaining, with three 5-year renewal options at significant contractual rent increases – including a 24% increase in 2033 – showcasing tenant longevity and providing built-in income growth and inflation protection.

The property is strategically located at the corner of the signalized intersection of Midwestern Parkway and Old Jacksboro Hwy (State Highway 473) – a major commercial corridor, offering strong visibility and consistent traffic flow with 24,834 vehicles per day.

Wichita Falls is a strategically located North Texas city positioned along U.S. Route 287 and U.S. Route 82, offering direct connectivity to the Dallas-Fort Worth metroplex, Oklahoma City, and surrounding regional trade areas. Situated within an established retail corridor supported by nearby residential neighborhoods, schools, and daily-service businesses, the site benefits from consistent local traffic and steady consumer demand rather than reliance on destination-driven retail. Wichita Falls is anchored by a stable employment base led by Sheppard Air Force Base, healthcare providers, and regional manufacturing, providing durable economic support for national retailers. This investment combines a recognizable national brand, passive net-lease structure, and strong roadway fundamentals, creating a compelling net lease opportunity within a stable and service-oriented North Texas market.

# City Overview – Wichita Falls, TX

## Regional Retail Hub | Military & Healthcare Anchors | North Texas Trade Area

Wichita Falls is a well-established North Texas city serving as the economic and commercial center of Wichita County, supporting a broad trade area that extends into surrounding rural communities in both Texas and southern Oklahoma. With longstanding ties to military, healthcare, energy, and manufacturing sectors, Wichita Falls functions as the primary retail and service destination for the region. The city's stable population base and cost-conscious consumer profile sustain consistent demand for value-oriented retail and quick service dining concepts.

Strategically positioned along U.S. Route 287 and U.S. Route 82, Wichita Falls provides direct connectivity to the Dallas–Fort Worth metroplex approximately two hours to the southeast and Oklahoma City approximately two hours to the north. Interstate 44 further enhances regional access and commercial flow. Primary commercial corridors such as Kell Boulevard (US 82/277), Kemp Boulevard, and Southwest Parkway serve as high-traffic retail spines, capturing commuter, military, and destination-driven consumer traffic.

Wichita Falls is anchored by major institutions including Sheppard Air Force Base, United Regional Health Care System, Midwestern State University, and the Wichita Falls Independent School District. Sheppard AFB serves as one of the region's largest employers and a significant economic engine, generating consistent population inflow and consumer spending. The city also benefits from a diversified employment base including healthcare, education, energy services, manufacturing, and public sector employment, supporting steady year-round demand for neighborhood retail and service-oriented uses.

From an investment perspective, Wichita Falls represents a stable and supply-moderate retail market where established commercial corridors continue to outperform new peripheral development. Limited large-scale retail expansion, combined with strong arterial traffic counts and military-driven economic stability, supports long-term relevance for necessity-based and convenience-oriented retail sites. With its regional draw, institutional anchors, and durable employment base, Wichita Falls offers a resilient North Texas retail environment well suited for net lease investment.
