EXECUTIVE SUMMARY

NAI Summit is pleased to present an exceptional opportunity to purchase a special purpose facility in Tobyhanna, Pennsylvania. The assemblage of single and two-story buildings was previously used as a place of worship and prior to that it served as a charter school.

The buildings offer a functional and flexible floor plan, and the possibilities are endless. Commercial zoning affords a wide range of uses beyond educational and religious centers. Well suited for business offices, clinics, cultural centers, day-care centers, exercise clubs, indoor recreation facilities, meeting or assembly halls, retail businesses, restaurants, township facilities, trade schools, veterinary clinics, and other permitted uses.

The site plan consists of three connected buildings comprised of a main single-story building with classrooms and office areas, a gymnasium that includes two floors of classrooms, and a third single-story structure with an open layout.

Tobyhanna is located in the Pocono Mountain region which boasts tourism and hospitality as strong economic drivers. It is about an hour's drive to the Lehigh Valley and two hours from New York City.
