TO POTENTIAL BUYERS AND BUYER AGENTS:

This Property is sold AS-IS and not based upon any representation or information provided by Seller or Agent.

The information in this brochure has been provided to the best of Seller's and Agent's knowledge; however, this information cannot be guaranteed. Some information is from 3rd party or external sources. Property data and conditions can change during the course of a listing; although the Listing Agent will attempt to keep this information up to date, such information may not always be reflected in this brochure.

It is strongly recommended that any prospective buyer verify information and details that are important to them in any intended purchase of real estate, as well as engage the appropriate professionals and consultants to advise you. Neither Seller nor Seller's Agent are qualified to advise on matters of legal, construction, architectural, engineering, tax, zoning, development or financial issues.

Please know that we have done our best to provide the most accurate information at the time this brochure was created. However, Buyer should never rely on marketing materials alone to verify property facts or conditions. Seller cannot guarantee that it has complete or accurate knowledge of every aspect of the property, and certain images, documents and drawings may not be fully up to date. Neither Seller nor Agent shall be liable for any errors or omissions in the aforesaid information. Buyer should rely on its own advisors, inspections and investigations to determine if the property is suitable for their purpose.

Listing Agent is solely the representative of the Seller in any contemplated transaction. Listing Agent may still submit offers on a Buyer's behalf, but doing so does not imply representation of Buyer. Please read the PA Consumer Notice provided by your agent, for further information on the various forms of real estate agency representation.

We welcome cooperation with Buyer's Agents. Due to recent changes in NAR rules which now affect all Realtor Association affiliated MLS's, we are no longer permitted to advertise a co-broke fee in Bright MLS. Please contact our office directly if you are requesting compensation as an agent.

Please note our Co-Broker policy requires Buyer Agents to arrange and attend the initial showing and all subsequent visits or meetings with their client, and conduct all Buyer follow-up, in order to receive their fee. Once we have shown a property to a prospect, presented the property details, and spent substantial time with a prospective buyer, an after-the-fact request by a Buyer Agent for compensation may be forfeited or reduced to one-half the above fee if we have already taken your prospect through the property.

BUYERS: If you intend to be represented by a Buyer Agent, you must have your Agent contact us in advance to arrange the first showing or your Agent may potentially forfeit their ability to receive any applicable co-broke fee. The Buyer's Agent should always verify any co-broke fee prior to showing the property. Please call our office at 717-399-9361 to verify and request written confirmation of any co-broke fees which may be applicable.
