This Classic old farmstead on the rich soils of the Chehalis Valley has been a popular local site for popping in to pick up spring garden starts. While ready for a remodel and landscaping, the homestead could be just the place for putting in some sweat equity for the right folks, carefully preserving the tightgrain fir floors from the 1890's Bordeaux logging camp in the nearby hills. Pre-inspection available to review.

BARN; 2800 square feet with hay loft
 Shop: 2400 square feet with concrete floor
 Log cabin: Appx 300 square feet, possibly the original home
 Treehouse platform: Appx 100 square feet
