

**“JLJB” RENTAL PORTFOLIO IN ROCKY MOUNT, N.C.
77 UNITS ACROSS 61 PROPERTIES
ASKING PRICE: \$5,900,000 (~\$76K per unit)**

Deaton is pleased to present for sale, as the exclusive broker for the seller, the “JLJB” Rental Portfolio. The opportunity includes 61 properties, totaling 77 units, with 56 properties (71 units) located in Rocky Mount, N.C. and the remaining 5 properties (6 units) located in nearby Tarboro, N.C. Most of the properties have been owned and managed by members of the same family since construction. This is a great value-add opportunity to acquire a predominantly single-family rental portfolio with scale with the ability to increase rents and net income through physical and operational improvements. Additionally, the bulk pricing represents discount-to-market pricing for many of the individual homes. An investor could renovate and resale properties individually, at a profitable spread.

HIGHLIGHTS:

- 49 single-family homes, 10 duplexes, 2 quads
- Current monthly rent roll is approximately \$48,000 at 86% occupancy
- Current Gross Potential Rent of \$67,500 per month
- Potential rents could exceed \$70,000 per month with improvements
- Average year built across all properties of 1974
- Combined Zillow value of approximately \$6.3m or \$82K per unit
- Combined 2025 tax value of approximately \$5.6m or \$73K per unit
- Opportunity to add significant value through physical improvements

[Click here to view a MAP with the location of all properties.](#)

Details of each property are provided in the pages that follow. All square footage figures provided are estimates provided by either the current management team or tax records. The Zillow values and Tax values provide were collected in December of 2025 and are for reference and convenience only and do not constitute a certified appraised value or broker's opinion of value. Bedroom and bathroom counts, Current Rents, and Market Rents reflect values as of the January 13, 2026 rent roll from the property manager. The detailed rent roll and financials are provided by separate documents.
