## ZONING

Sec. 23.3-14. - DT—Downtown.

- a) *Intent.* The "downtown (DT) district" is designed for the commercial core of Lake Worth, primarily along Lake and Lucerne Avenues from Golfview to the Florida East Coast Railroad right-of-way. The DT district is intended to provide the establishment and expansion of a broad range of office and commercial uses, including higher density residential use. Certain commercial uses are not permitted in the district because they will be detrimental to the shopping or office functions of the area. The establishment of certain uses is subject to conditional use review to ensure they will not have a negative impact on nearby residential uses or on the commercial viability of their neighbors. The district implements in part the downtown mixed use land use category of the Lake Worth Comprehensive Plan.
- b) Use restrictions and development regulations for residential uses in the DT district. For projects that are all residential, see [section 23.3-13\(b\)](#). Multiple-family residential uses may be established and expanded in the DT district subject to the provisions of section 23.3-12.
- c) *Use restrictions for nonresidential uses in the DT district.* Refer to the permitted use table at [section 23.3-6](#) for a complete list of uses.
  1. *Principal nonresidential uses permitted by right.*
    - A. Commercial - low intensity.
    - B. Office - low intensity.
    - C. Retail - low intensity.
    - D. Personal services - low intensity.
    - E. Cultural and artisanal arts - low intensity.
    - F. Institutional - low intensity.
    - G. Open air retail sales only on private property and not on any sidewalk along Lake Avenue or Lucerne Avenue (see definition).
    - H. Essential services.
      - i. Hotels and motels, subject to the following requirement:  
Each guest room and bath unit shall have a minimum area of one hundred seventy (170) square feet measured from the interior face of the exterior walls and from the interior face of the demising walls of the unit.
  2. *Principal uses permitted as either administrative or conditional uses.*
    - A. Commercial - medium to high intensity.
      - i. Commercial drive-through (excluding all restaurant uses) west of Dixie Highway
