ACCESS MAP

The Columbus Region is a global logistics hub that supports some the world's largest brands and top logistics service providers, making it a critical link in industrial and consumer supply chains. The Region's location gives companies access to more of the U.S. population and employment base than any other major metro, providing unmatched accessibility.

Within a day's drive, you can reach 165 million people and 42,100 headquarters – that's 45% of the country's population and 48% of headquarter operations.

SR 161 IMPROVEMENTS

State Route 161 Improvements

Project Description

ODOT projects will make \$112 million of improvements to State Route 161 in eastern Franklin County and western Licking County.

- Widen SR 161 between Interstate 270 and U.S. Route 62
- Widen ramp from SR 161 west to I-270 north/west
- Improve the SR 161/Mink Rd. interchange to connect with improvements on local roads

Details on the timeline for these improvements are still under development. This project will include a public involvement process and an opportunity to provide public comment.

Timeline

Design Begins: March 2022

Construction Begins: July 2023

Complete: November 2024
