## FROM POST OFFICE TO PIZZA.

**TRIBUTE PIZZA**  
(3077 North Park Way)

The historic North Park post office was converted into an apartment project on North Park Way where Tribute Pizza recently opened carrying out as the city's general land-use plan called for in 2008 for a live-work-play goal of creating a "city of villages".

# North Park promises higher density, smarter design.

## THE NORTH PARKER (30th Street & Upas Street)

A mixed housing with ground-floor retail designed to intentionally make it easy for residents to meet each other through the design of the common spaces in a large interior courtyard.

## BROADSTONE NORTH PARK (Texas Street & Howard Avenue)

The five-story structure will contain 118 rental units, ranging from studio to two-bedroom.

## THE EARNEST (4201 30th Street)

The latest example of a new development rising in North Park is an Apartment project whose key feature is the inclusion of a large amount of common space where residents can interact on a daily basis. The idea is to create community spirit and friendship among the tenants.
