Executive Summary

Bull Realty is pleased to present this Assisted Living Facility for potential conversion to **Behavioral Health**. The ±42,528 SF building has 63 units. The facility located in Tucker, GA, a suburb of Atlanta, is widely recognized as one of the most dynamic and fastest-growing economies in the Southeast.

The local economy is powered by a workforce of over 18,000 employees, primarily concentrated in professional, scientific, and technical services, as well as healthcare and retail trade. Major industrial players like PepsiCo—which recently underwent a significant \$260 million expansion—and the continued growth of occupational health services like Concentra anchor the city's manufacturing and service sectors. Located **28 miles from the Atlanta Airport**.

In the real estate sector, Tucker remains a sought-after "In-town" alternative with a median home sale price hovering around \$514,874. While the broader Atlanta metro area is seeing some market corrections, Tucker's high homeownership rate of 64% and steady demand for turnkey family homes contribute to its reputation as a resilient community for both residents and investors. Amenities include a professional kitchen, theater, beauty salon and more. The property offers assisted living with a professional care staff and memory care services.
