PROPERTY DESCRIPTION

The MaxHealth & Dermatology Associates Venice office is located in the very popular Venice Health Park Office Condominium. This premier medical office facility is strategically located at the signalized intersection of Jacaranda Boulevard and Center Road, offering outstanding visibility and accessibility in one of Venice's most active and expanding healthcare corridors. Positioned between US-41 (Tamiami Trail) and Interstate 75, the site benefits from a combined daily traffic count of more than 38,000 vehicles per day, providing consistent exposure and ease of access for both patients and healthcare providers.

Set amid mature landscaping and a tranquil, tree-lined setting, the property features ample surface parking and four separate access points, ensuring smooth traffic flow throughout the center. In addition to MaxHealth and Dermatology Associates in this suite, other providers at Venice HealthPark include Florida Lakes Vein Center, several Advent Health offices, Sarasota Arthritis Center and Amplified Chiropractic among others.

Its location, just minutes from I-75, as well as its close proximity to residential neighborhoods makes this an ideal site for medical practices seeking to serve the growing—and aging—population in the Venice area.

PROPERTY LOCATION

This medical office center is ideally situated in central Venice, at the highly visible and easily accessible corner of Center Road and Jacaranda Boulevard just south of I-75. The property benefits from its close proximity to several major healthcare providers, including HCA Florida Sarasota Doctors Hospital, Sarasota Memorial Hospital at Venice, and ArchWell Health Medical Center, all located just minutes from the site.

Venice is a picturesque coastal city on Florida's Gulf Coast, widely recognized for its charming historic downtown, white-sand beaches, and relaxed lifestyle. It is particularly known as a premier destination for retirees, with approximately 76% of the population aged 55 and older. This demographic concentration positions Venice as one of the most senior-centric communities in the state.

The combination of a high median age and affluent residential base makes Venice a highly attractive market for healthcare providers, senior-focused services, and specialty medical practices. As demand continues to grow for convenient, high-quality medical care tailored to an aging population, this location offers an ideal setting for healthcare businesses seeking to capitalize on a well-established and expanding patient base.

AREA OVERVIEW

Florida remains one of the fastest-growing states in the U.S., with over 1,000 new residents per day. The state's pro-business climate, which includes no state income tax, ongoing infrastructure investments, rapid real estate expansion, and an enviable quality of life, continues to attract both residents and businesses alike.

The Bradenton/Sarasota area is located on Florida's beautiful West Coast on the Gulf of America about one hour south of Tampa. With a projected 6% population growth over the next five years, the region is well-positioned for continued expansion—making this portfolio a valuable asset within a thriving, high-demand healthcare market.

Both cities are best known for their beautiful beaches; Bradenton features Anna Maria Island with Holmes Beach, Bradenton Beach and Coquina Beach, while Sarasota is best known for Siesta Key and Lido Key Beach, with both Counties sharing Longboat Key.

Manatee County is an ideal spot for nature enthusiasts with attractions such as De Soto National Memorial, Robinson Preserve, Lake Manatee State Park, Palma Sola Botanical Park, Neal Preserve, Perico Preserve, Rye Preserve, Terra Ceia Preserve State Park, and the Bradenton Riverwalk, to name a few. Other attractions bringing visitors each year include the Village of the Arts, the Bishop Museum of Science, LECOM Park (Spring Training home of the Pittsburgh Pirates), the Florida Railroad Museum and the Florida Maritime Museum.

Manatee County draws national attention each year through the highly esteemed IMG Academy, which services elite athletes from around the world.

Vibrant hot spots in Sarasota County driving visitors to the area include St. Armands Circle, Mote Marine, Marie Selby Botanical Gardens, The Van Wezel Performing Arts Hall, Ed Smith Stadium (Spring Training home of the Baltimore Orioles), Sarasota Jungle Gardens, The John and Mable Ringling Museum of Art, Nathan Benderson Park and it's internationally acclaimed rowing facility, Historic Downtown Venice, and CoolToday Park (Spring Training Home of the Atlanta Braves).

Many nationally recognized companies call the Bradenton/Sarasota Area home or have major facilities located here. These include Tropicana Products (PepsiCo), Air Products & Chemicals, Beall's Department Stores, Chris-Craft Boats, Yellowfin Yachts, Feld Entertainment (Ringling Brothers Circus / Monster Jam), Sunz Holdings, Sun Hydraulics, Sysco West Coast, and Pierce Manufacturing.
