Building Name	Industrial Yard in Greenwood
Property Type	Industrial
Property Subtype	Flex Space
Building Size	8,000 SF
Lot Size	6.25 Acres

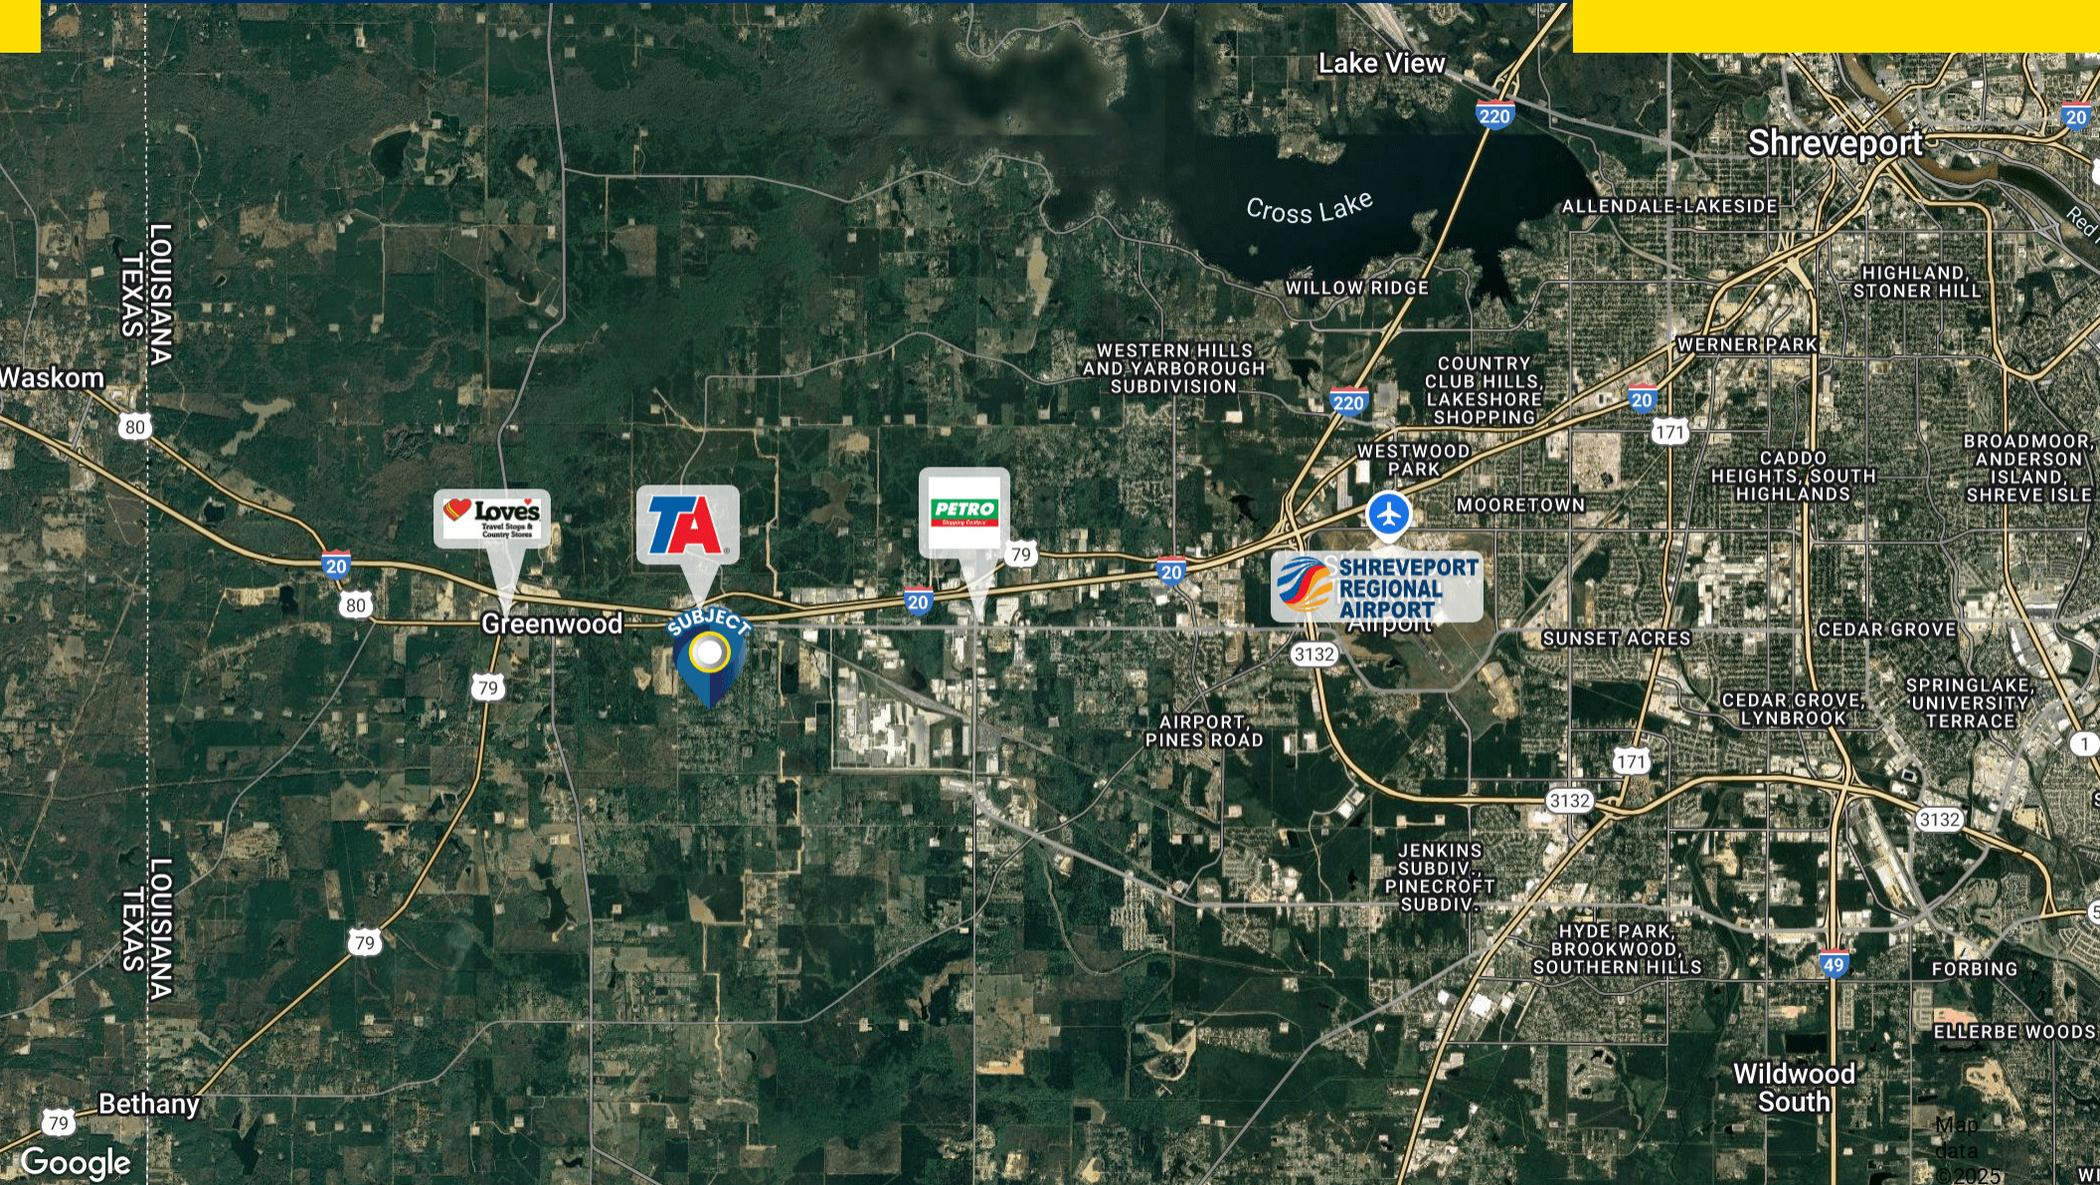

This 6.23-acre industrial yard in Greenwood, Louisiana, offers 10,000 square feet under roof, making it ideal for trucking, equipment storage, or industrial operations. The property features an 8,000-square-foot shop and office building, with 1,200 square feet of office space and 6,800 square feet of shop area.

The shop is well-equipped with three 16' x 14' roll-up doors on the west wall and two 16' x 14' roll-up doors on the east wall, providing excellent accessibility. Two of the doors are pass-through, allowing for seamless vehicle movement. Three of the doors are electric, while two are manual for added flexibility. Inside, the shop features plywood wrapping along the bottom 8 feet of the interior walls, providing a clean and durable way to secure tools, equipment, and workbenches. A small water drain inside the shop allows for easy cleaning and maintenance.

Additional features include 10-foot overhangs on both the east and west sides, offering covered workspace, and a 30' x 110' drive-thru open-air section, ideal for staging vehicles or equipment. The entire 6.23-acre yard is stabilized with rock, making it well-suited for trucking, equipment storage, or industrial use.
