A central feature of this landscape is the Waterside District, a bustling dining and entertainment destination located right on the scenic Elizabeth River waterfront. This modern venue offers a variety of restaurants and bars, hosting live music and events that animate the area. As evening arrives, downtown's nightlife flourishes, especially along Granby Street, which is renowned for its eclectic mix of bars, restaurants, and prominent music venues like The NorVa. Tying the district together is The Tide light rail, the city's convenient light rail system.
