Conveniently located in Santa Monica's downtown entertainment district with numerous food and retail locations within walking distance and easy access to the 10 FWY. Offices provide hard flooring, numerous operable windows providing ample natural light, and come prewired for Frontier FiOS Fiber/High Speed Internet. With operable windows on opposing sides of each office, offices get plenty of outdoor fresh air avoiding HVAC recirculation. Office HVACs are not shared and have smart thermostats tenants can program to their specific requirements/comfort levels such as restricting circulation/heating/cooling after hours when offices are not occupied and taking advantage of outdoor fresh air during business hours. The building does not have a common Lobby and walkways are all open avoiding any confined interior spaces.
