PROPERTY DESCRIPTION

PROPERTY HIGHLIGHTS

- **Anchor & Sub-Anchor Opportunities in Established Neighborhood Center:** Sunkist Center was originally built in 1956 and is currently anchored by Big Saver Food (15,625 SF), Central Bell Mart (18,125 SF) and McDonalds. The property has recently been acquired and the current owner is looking to upgrade the tenancies of the Anchor and Central Bell Mart spaces.
- **A True Neighborhood Center:** With over 70 businesses operating in 168,550 SF of building area, the local community of over 60,000 people located within 5 minutes of the property is able to fulfill most of their daily needs at Sunkist Center.
- **Great Visibility & Signage:** With over 700 feet of Amar Road frontage and minimal landscaping, the property has outstanding view corridors from Amar Road providing easy visibility to the anchor and shop spaces. Furthermore, anchor tenants will have prominent signage on the center's 50+ foot tall pylon sign.
- **Excellent Access & Parking:** In addition to median free access from two driveways on Amar Road, the shopping center is bounded by traffic signals at Willow Avenue and Ardilla Avenue. Both of these avenues have 3 additional points of access for a total of 8 points of access to the approx. 700 easily accessible parking stalls.
- **Competitive Location:** While many of the retailers are fighting it out on South Glendora Avenue/Hacienda Blvd., Sunkist Center has minimal competition in the immediate trade area while boasting over 26,400 cars per day in front of the property compared to only 33,571 cars per day on Hacienda Blvd.

LOCATION DESCRIPTION

LOCATION HIGHLIGHTS

- **In-Fill Los Angeles County Location:** With over 300,000 people in a 10 minute drive, 71,000 people in a 5 minute drive, and 33,000 people in a 3 minute drive, this densely populated trade area provides ample opportunity for retailers to capture their share of this residential trade area's \$6.5B of buying power.
- **ESRI Characterizes the Area as "Urban Villages":** Per Esri's Tapestry Segmentation, a substantial majority of the trade is considered "Urban Villages" characterized by a community that is multi-cultural, multi-generational, and multi-lingual. Urban Villages are also contain housing with large families (Over 4.2 people per household in the subject trade area). Over 78% of individuals in a 5 minute drive are of Hispanic Origin with an Average Household Income of \$117,476 within 5 minutes of the property.
- **10 Freeway Accessibility:** The property has easy access to the 10 Freeway east or west bound via the Puente Avenue or Baldwin Park Blvd. on/off ramps which are both located less than 1 mile from the shopping center.
- **High Daytime Population:** Mostly as a result of the large amount of office and industrial businesses along the Valley Blvd. corridor, Sunkist Center has over 20,420 employees in over 1,821 businesses within a 5 minute radius of the site. With virtually no retail between the source of this daytime population, Sunkist Center is a major destination for these employees and to shop and eat.
- **Proximity to Schools:** Within half a mile of Sunkist Center is Bishop Amat Memorial High School (the largest private school in LA County), Bassett Senior High School, and Torch Middle School.

WHO ARE WE?

Urban Villages residents are multicultural, multigenerational, and multilingual. Trendy and fashion conscious, they are risk takers. However, these consumers focus on their children and maintain gardens. They are well connected with their smartphones, but more likely to shop in person. Their favorite stores are as diverse as they are, Costco or Trader Joe's, Target or Macy's.

OUR NEIGHBORHOOD

- Older homes (most built before 1970) are found in the urban periphery of large metropolitan markets.
- Married couples with children, and grandparents; many households are multigenerational (Index 322). Average household size is 3.78.
- Homes are older, primarily single family, with a higher median value of \$325,100 (Index 157) and a lower vacancy rate of 4.7%.

SOCIOECONOMIC TRAITS

- Multicultural market including recent immigrants (Index 277) and some language barriers (Index 289).
- Education: more than half the population aged 25 or older have a high school diploma or some college.
- Labor force participation rate higher than the US, but so is the unemployment rate at 6.2%.
- Brand conscious but not necessarily brand loyal; open to trying new things.
- Status-conscious consumers; choices reflect their youth—attention to style and pursuit of trends.
- Comfortable with technology and interested in the latest innovations.
