

FOR SUBLEASE

4970 FULTON
INDUSTRIAL BOULEVARD

Atlanta, Georgia 30336

STREAM

4970 Fulton Industrial Boulevard presents a rare opportunity for best-in-class frontage on Atlanta's busiest industrial submarket. Sitting at 157,000 SF, the fully renovated facility offers an excess of employee parking, a fully fenced truck court, re-modeled office, and one turn access to Fulton Industrial Boulevard.

The Fulton Industrial Boulevard (FIB) submarket is one of the largest concentrations of industrial product in the Southeast, totaling over 52,000,000 Square Feet in a corridor just under 10 miles long. With its proximity to Hartsfield-Jackson Atlanta International Airport in addition to its immediate access to I-20 and I-285, Fulton Industrial's transportation and access to the City of Atlanta is unmatched when compared to the rest of Atlanta's industrial markets. The Fulton Industrial Market carries a 4-million [1] person labor force that lives within a 45-minute drive of the property.
