

Pondella Professional Park – Driving Directions

From US-41 (Cleveland Avenue), head west on Pondella Road toward Cape Coral. Continue approximately one mile; the property is located on the left (south) side between River Road and Moody Road. For an alternate approach, take Business 41 to Pondella Road eastbound, then turn right onto River Road for safe and easy access to the rear entrance of the complex. The site sits just minutes from Cape Coral Hospital, downtown Fort Myers, and surrounding medical and professional services. Prominent signage and open parking areas make the complex easily identifiable from either direction on Pondella Road.
