EXECUTIVE SUMMARY

Robertson Center is a prominent six-story medical and professional office building located on the border of Beverly Hills and West Hollywood. Built in 1986 and comprising approximately 106,624 square feet, the property is 93.9% leased, reflecting strong tenant demand and long-term occupancy by established medical and professional users. The building supports a diverse tenancy mix, including nationally recognized healthcare providers, contributing to consistent foot traffic and long-term stability.

Currently, the property offers medical and office suites ranging from approximately 1,507 SF to 3,474 SF, with a total of 10,019 SF available, ideal for medical practices, therapy providers, and professional users seeking move-in-ready space in a highly sought-after submarket. Several available suites are fully built out with exam rooms, reception areas, and specialized layouts, allowing incoming tenants to minimize upfront build-out costs. Lease terms are flexible, with options ranging from short-term to long-term commitments depending on tenant needs.

Positioned along Robertson Boulevard just north of Wilshire Boulevard, the property offers excellent visibility, walkability, and access to key commercial and medical corridors. Tenants benefit from controlled access, valet parking, on-site property management, and convenient connectivity to Beverly Hills, West Hollywood, Century City, and major transportation routes.

LOCATION OVERVIEW

250 N Robertson Blvd is strategically positioned at the intersection of Beverly Hills and West Hollywood, two of Los Angeles' most established and highly sought-after professional and medical submarkets. Located just north of Wilshire Boulevard, the property benefits from immediate access to major east–west and north–south corridors including Wilshire Blvd, Santa Monica Blvd, and La Cienega Blvd, allowing for efficient connectivity throughout Central Los Angeles.

The surrounding area offers a dense concentration of medical offices, professional services, retail amenities, dining options, and daily conveniences, creating a supportive environment for healthcare providers and office users alike. Nearby pharmacies, specialty clinics, and major healthcare institutions further complement the building's medical tenancy profile.

WHY THIS LOCATION MATTERS

Central Visibility & Accessibility

Robertson Boulevard provides strong street presence in a high-traffic, high-demand corridor near Wilshire Boulevard, enhancing visibility for medical and professional tenants.

Patient / Staff Convenience

The highly walkable immediate area supports day-to-day errands and appointments, while the broader surrounding neighborhoods provide a strong labor pool for staff recruitment and retention.

Established Medical & Professional Ecosystem

Proximity to long-standing healthcare providers and professional services reinforces the location's credibility and appeal for medical users seeking an established clinical environment.

Amenity-Rich Urban Setting

Access to nearby dining, retail, and services enhances the overall experience for tenants, employees, and visiting patients, supporting both operational efficiency and tenant satisfaction.
