No premises shall be occupied until a Certificate of Occupancy or Completion has been issued by City of Griffin Planning and Development.

This permit shall become null and void if authorized work is suspended or abandoned for a period of 30 days.

I hereby certify that I have read and examined this document, and I know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. Granting of a permit does not presume to give authority to violate or cancel the provisions of any other state of local law regulating construction or performance of construction.
