## Property Description

The Wahiawa Medical Building is a readily recognized medical office building located in the quaint town of Wahiawa. This suburban submarket serves not only its community's residents, but also the neighboring Schofield/Wheeler military bases, Mililani, Waialua, and the North Shore of Oahu. The building features an open aired courtyard with second level accessibility via a central stairwell or elevator. With a diverse tenant mix, the project includes a community health center, diagnostic lab, dentistry, physical therapy, pediatrics, and other specialized medical services. There is ample parking for both customers and tenants with public transportation stops nearby. Situated right off of Kamehameha Hwy, the location is just minutes from the H-1 Freeway.

## Suite Description

Suite 105 is the first ground floor space visible as you enter the parking lot of the building. Highly desirable, it is one of the only units with both interior and exterior entrances. This corner unit has multiple signage opportunities along the building façade. The suite includes a small back storage area with a private restroom.
