EXECUTIVE SUMMARY

OFFERING SUMMARY

MARCUS & MILLICHAP HAS BEEN EXCLUSIVELY CHOSEN TO MARKET CORVALLIS MILLRACE, a versatile mixed-use property located in Corvallis, OR. This dynamic complex offers a blend of retail, office, and industrial spaces, built in 1973 and renovated in 1997. Spanning **41,478 square feet** on a generous **2.95-acre lot**, it provides ample room for diverse business operations. Recent improvements include a **brand new roof installed on building 1750 in 2024**, a **three-year-old warrantied roof on building 1760**, and a **brand new roof installed on building 1780 in 2026**. Additionally, the **parking lot has been recently redone**, new gas packs have been installed on the roof of building 1750, and a **wireless fire suppression system is being implemented** to eliminate monthly phone line charges. A **flood designation removal is also in progress**, and a **10-year transferable warranty** is available.

Corvallis Millrace Center boasts an impressive roster of tenants, including prestigious institutions like **Oregon State University**, as well as established companies such as **Acute Engineering** and **Kohler Design Corporation**. Its strategic location near **Oregon State University’s campus**, home to over **37,000 students and 9,000 faculty and staff**, ensures a steady flow of potential customers and employees. With **78 on-site parking spaces**, multiple points of ingress and egress, and prominent signage, the center offers excellent visibility and accessibility for tenants and visitors alike. Building 1780 is further enhanced with a **3-phase 480 amp power supply**. This prime positioning, combined with its flexible spaces and diverse tenant mix, makes Corvallis Millrace Center an attractive option for businesses looking to establish or expand their presence in the thriving Corvallis market.

INVESTMENT HIGHLIGHTS

STRATEGIC LOCATION

Strategically located near **Oregon State University's campus**, which is home to over **37,000 students and 9,000 faculty and staff**, the property benefits from a steady flow of potential customers and employees. This proximity enhances tenant appeal and ensures consistent demand for retail, office, and industrial spaces.

DIVERSE TENANT MIX

The property features an impressive roster of tenants, including **Oregon State University, Acute Engineering, and Kohler Design Corporation**. This diverse mix of prestigious institutions and established businesses highlights the center's broad market appeal and stable income potential.

EXTENSIVE RECENT UPGRADES

Corvallis Millrace has undergone significant upgrades, including **new roofs (2024 for building 1750, three-year-old roof on 1760, 2026 for building 1780)**. Recent enhancements include a **redone parking lot, new gas packs, and a wireless fire suppression system**. A **flood designation removal** is underway, with a **10-year transferable warranty**.

EXCEPTIONAL FEATURES

Spanning **41,478 square feet** on a **2.95-acre lot**, Corvallis Millrace offers flexible spaces suited for diverse business operations. Key features include **78 on-site parking spaces**, multiple points of ingress and egress, prominent signage for excellent visibility, and a **3-phase 480 amp power supply** to building 1780. These attributes make it an attractive investment opportunity in the thriving Corvallis market.

TENANT OVERVIEW

OREGON STATE UNIVERSITY

Oregon State University (OSU) is a prominent public land-grant research university located primarily in **Corvallis, Oregon**. Founded in **1868**, it is the state’s largest university and a significant contributor to Oregon’s economic, scientific, and cultural development.

ACADEMIC PROGRAMS

OSU offers more than **200 undergraduate degree programs** and over **100 graduate programs** across **11 colleges**: College of **Agricultural Sciences**, College of **Business**, College of **Earth, Ocean, and Atmospheric Sciences**, College of **Education**, College of **Engineering**, College of **Forestry**, College of **Liberal Arts**, College of **Pharmacy**, College of **Public Health and Human Sciences**, College of **Science**, and College of **Veterinary Medicine**.

RESEARCH AND INNOVATION

Oregon State is classified as an **R1 Doctoral University**, indicating very high research activity. The university is known for its strengths in:

- Marine Sciences
- Forestry
- Agricultural Sciences
- Nuclear Engineering
- Robotics

ATHLETICS

OSU’s athletic teams, known as the **Oregon State Beavers**, compete in the **Pac-12 Conference** of the NCAA Division I. The university has a strong tradition in baseball, having won the College World Series multiple times.

NOTABLE ACHIEVEMENTS

- Recognized as a top-tier research institution by the Carnegie Classification of Institutions of Higher Education
- Home to the **Hatfield Marine Science Center** in Newport, a leading coastal and marine research facility
- Operates the **O.H. Hinsdale Wave Research Laboratory**, one of the largest tsunami research facilities in the world

COMMUNITY IMPACT

OSU has a significant economic and cultural impact on Oregon, contributing to workforce development, research innovation, and community engagement through its extension services and outreach programs.

In summary, Oregon State University stands as a cornerstone of higher education in Oregon, known for its comprehensive academic offerings, cutting-edge research, and commitment to public service and community engagement.

TENANT OVERVIEW

CORVALLIS WHOLESALE is a local business that has established itself as a go-to destination for **bulk purchases** and **discounted goods** in the Corvallis area. This wholesale outlet caters to a diverse customer base, including **individuals, families, small businesses, and local organizations**, offering a wide range of products such as **household essentials, office supplies, food and beverages, and general merchandise**. As a local business, Corvallis Wholesale plays a role in the **local economy**, providing employment opportunities and supporting other area businesses through its supply chain. The store's presence offers Corvallis residents an alternative shopping option that combines the benefits of bulk purchasing with the convenience of a local retailer.

KOHLER DESIGN is a leading platform that showcases the innovative and luxurious products of **Kohler Co.**, a renowned global leader in **kitchen and bath design**. The site offers a comprehensive look at Kohler's extensive range of **high-quality fixtures, faucets, and other home decor solutions**, highlighting the company's commitment to **style, functionality, and sustainability**. Through Kohler Design, users can explore the latest **trends and technologies** in home design, from sleek **bathroom fixtures** to sophisticated **kitchen appliances**. By providing inspiration and resources for architects, designers, and homeowners, Kohler Design helps bring visionary spaces to life.

ACUTE ENGINEERING, is a **structural engineering firm** specializing in **light-frame construction** for **residential and select commercial projects**. Founded in **2002**, the company provides engineering and drafting services to **architects, builders, and developers**, with a focus on **cost-effective** design, quick turnaround times, and reliable structural solutions. Acute Engineering supports production homes, custom residences, and light-framed commercial developments, leveraging in-house tools and streamlined processes to deliver consistent, code-compliant plans across projects throughout the Western United States. The firm is known for its **collaborative approach and responsive client service**.

TENANT OVERVIEW

CORVALLIS CROSSFIT provides a **supportive, community-driven environment** where individuals can “**build strength, endurance, and confidence**” through a variety of **structured fitness programs**. These programs are designed to challenge and improve overall fitness levels, making them suitable for **beginners, experienced athletes, and everyone in between**. The gym emphasizes a **holistic approach to fitness**, focusing not only on physical development but also on **mental toughness** and **community building**. By fostering a positive and encouraging atmosphere, Corvallis CrossFit helps members achieve their fitness goals while becoming part of a vibrant and motivating community.

VEO RIDE is a **shared micromobility provider** committed to ending car dependency by making clean transportation accessible to all, offering millions of **bike and scooter rides annually** in over 50 cities. They prioritize **collaborative relationships with cities** to build a sustainable, safe, and equitable transportation future. **Veo's in-house design and manufacturing process** focuses on providing cities with the **safest and most accessible fleet** of electric bikes and scooters on the market. Founded in 2017, Veo was an early advocate for financially responsible business models. By achieving profitability, Veo demonstrates its commitment to long-term sustainability and growth in the micromobility sector.

CORVALLIS ACUPUNCTURE AND FUNCTIONAL MEDICINE offers **comprehensive, quality medical care** in the Willamette Valley, blending **Eastern and Western medicine** to create whole health for each patient. Their philosophy supports the **total health of the individual**, treating pain to improve functionality and overall enjoyment of life. They also delve deeper to benefit lineages and release trauma, aiming for each individual's greatest expression of joy, purpose, and mission. By providing **personalized treatment plans** and **holistic care**, they help patients achieve optimal wellness and improve their quality of life through **acupuncture, functional medicine, and other integrative therapies**.

An aerial photograph of an industrial park. In the foreground, there are several large, low-rise industrial buildings with flat roofs. One building has a green section. To the right, a multi-lane road runs diagonally. In the background, there are more industrial buildings and a dense forest of trees. The overall scene is captured in a slightly desaturated, high-angle view.

LOCATION OVERVIEW

04

■ MARKET OVERVIEW

CORVALLIS

OREGON

POPULATION

In 2025, the population in the area is 107,985, reflecting a 10.99% increase since 2010. The population is projected to reach 109,571 within five years, a 1.5% increase from current levels. The area's population is evenly split by gender, with 49.9% male and 50.1% female. The median age is 37.0, younger than the U.S. average of 40.0.

HOUSEHOLDS

The area currently has 43,572 households, reflecting an 11.89% increase since 2010. Household growth is projected to reach 44,472 within five years, a 2.1% increase. The average household size is 2.3 people.

INCOME

In 2025, the median household income in the area is \$77,199, slightly below the U.S. average of \$78,171, representing a 70.18% increase since 2010. Median household income is projected to reach \$92,892 within five years, a 20.3% increase. Per capita income is \$40,516 and average household income is \$97,065, both modestly below national averages of \$41,680 and \$103,571, respectively.

EMPLOYMENT

In 2025, 53,953 people in the area were employed. The 2010 Census revealed that 61.3 percent of employees are in white-collar occupations in this geography, and 16.6 percent are in blue-collar occupations. In 2025, unemployment in this area was 4.0 percent. In 2010, the average time traveled to work was 19.00 minutes.

HOUSING

In 2025, the median housing value in the area is \$473,808, compared to the U.S. median of \$333,538. In 2010, the area included 21,124 owner-occupied units and 17,817 renter-occupied units.

EDUCATION

In 2025, the area exhibits a mixed educational attainment profile compared to national averages. A higher share of residents hold graduate degrees (42.9% vs. 13.7% nationally) and associate degrees (14.6% vs. 8.8%), while fewer have bachelor's degrees (9.3% vs. 21.2%). The area also has a higher proportion of residents with some college education (22.2% vs. 19.6%), but a significantly lower share of high school graduates (0.9% vs. 26.1%).

CORVALLIS OVERVIEW

CORVALLIS, Oregon, is a thriving city with a strong focus on innovation and sustainability, anchored by **Oregon State University**, one of only two land, sea, space, and sun grant institutions in the U.S. The city boasts a highly educated workforce and a burgeoning innovation economy, with over **25 software companies** and major employers like **Hewlett-Packard**. Ongoing infrastructure projects, such as the **Philomath Boulevard Functional Design** and the **Corvallis to Albany Multiuse Path Project**, aim to improve transportation and connectivity in the region. Additionally, the **Corvallis Riverfront Commemorative Park** project is revitalizing the riverfront along the Willamette River, creating a community hub with new amenities for outdoor activities and events. Major employers include **Oregon State University**, **Linn Benton Community College**, and **Good Samaritan Hospital**. With an **average hourly wage of \$32.47**, slightly higher than the national average, Corvallis is well-positioned for economic growth.

The city is committed to sustainable development, as evidenced by its **Climate-Friendly Areas (CFA) study**, which addresses future housing needs while promoting environmentally friendly practices. A major mixed-use development, **The Gordon at First Street and Madison Avenue** will include a **75-room boutique hotel** and **92 private residences**, addressing the pressing housing demands in Corvallis. Groundbreaking for this project is expected in **February 2025**, further enhancing the city's appeal. With its vibrant downtown area, numerous parks, and proximity to the Willamette Valley's renowned wineries, Corvallis continues to position itself as an attractive destination for both residents and businesses, blending modern living with its historical roots.
