- UNR Currently offers 145 undergraduate and 124 graduate programs
- The campus is located north of downtown Reno on approximately 200 acres—remains a central hub for education and community engagement.
- In-state undergraduate tuition (2025–26): \$10K per year. Compared to average Tier-1 R1 public universities, UNR in-state tuition is approximately \$3,000 lower, reinforcing its claim of being significantly more affordable.
- Maintains multiple engineering facilities, including Palmer, Scrugham, Harry Reid, and earthquake engineering labs, alongside ongoing investments in new infrastructure.
- The UNR College of Business stands out as a key asset, offering robust undergraduate programs—including Accounting, Business Administration, Information Systems, and Gaming Management

***Construction is underway on the John Tulloch Business Building, set to open Fall 2025—a major development rather than a new school. It will anchor the College of Business with modern amenities, including a large auditorium, trading labs, and flexible collaboration spaces.**
