PROPERTY DESCRIPTION

This 5,130 square foot building offers a highly functional and versatile flex space configuration, well suited for a wide range of users. The property features an overhead door, allowing for efficient outbound shipping, deliveries, or equipment access — a unique and valuable attribute for users requiring light industrial or service-oriented functionality.

The building is equipped with 3-phase power, a rare find in Downtown Lincoln, making it particularly attractive for industrial, manufacturing, or technology-driven operations that require enhanced electrical capacity. The flexible layout allows the space to accommodate industrial, retail, showroom, creative, or hybrid flex users, providing adaptability for a variety of business models.

With its combination of functional infrastructure, modern utility capabilities, and flexible use potential, this property represents a distinctive opportunity for tenants or owner-users seeking adaptable space with capabilities rarely available in the downtown market.

LOCATION DESCRIPTION

1029 M Street is strategically positioned in the heart of Downtown Lincoln, one of Nebraska's most dynamic and desirable commercial districts. Located within the 68508 ZIP code, this address places your business among the city's most vibrant mix of retail, dining, services, entertainment, student housing, and cultural destinations — offering exceptional visibility and connectivity for tenants, customers, and visitors alike. Downtown streets like M Street benefit from regular vehicular traffic as drivers access key corridors connecting to Interstate 180 and other major thoroughfares into the urban core, while the walkable downtown grid and nearby attractions support consistent pedestrian activity throughout the day and evening, reinforcing strong exposure for storefronts and service-oriented businesses.
