## ABOUT THE PROJECT

Harmony Industrial Center offers prospective tenants strategically located distribution space to fit the needs of Vancouver's rapidly growing industrial market.

As the Portland Metro industrial market continues to ascend, Vancouver has followed close behind. Located adjacent to the new planned HP Campus (\$1.5mm SF), Harmony Industrial Center offers flexible sizes for the modern tenant. This new Class-A development will offer prospective tenants superior clear heights, loading capabilities, trailer parking and proximity to employee amenities. Simply put, for tenants looking to relocate or expand in the Portland Metro Region, Harmony Industrial Center's attributes can't be matched.
