### WHAT IS AN EXECUTIVE SUITE?

An Executive Suite is a smaller office space with flexible lease terms that shares amenities, such as reception areas, break rooms, and conference rooms, with other Executive Suite tenants. This allows a small business owner to rent a high class office space and project the image of a professional operation at a more affordable cost than a traditional office suite.

At 300 Corporate Center Drive, Executive Suites range from 300 to 500 square feet. Each suite is individually secured and accessible around the clock.

Camp Hill Corporate Center is a locally owned and locally managed office, both of which are located within the business park. Conveniently located about a mile from Route 11 and Route 15, the office is easily accessible. Interstates 81 and 83 are about ten minutes from the office. Camp Hill Corporate Center is centrally located less than three miles from Downtown Harrisburg and about 30 miles to Hershey, York, and Carlisle. Local and national retailers are minutes away, including Starbucks, Olive Oil Grille, Sheetz, First Watch, and Camp Hill Café. Convenience and flexible office space make Camp Hill Corporate Center an ideal place to grow a successful business.
