ABOUT THE DEVELOPER

ELM Developments is a proudly Canadian company offering over 30 years of development experience. Our portfolio extends to include a wide range of projects from infill sites to commercial plazas to large scale subdivisions, as well as master planned communities. Our project portfolio encompasses seven Canadian provinces and three US states with over 7M sq.ft. and \$2.5B+ CAD of assets developed and under development.

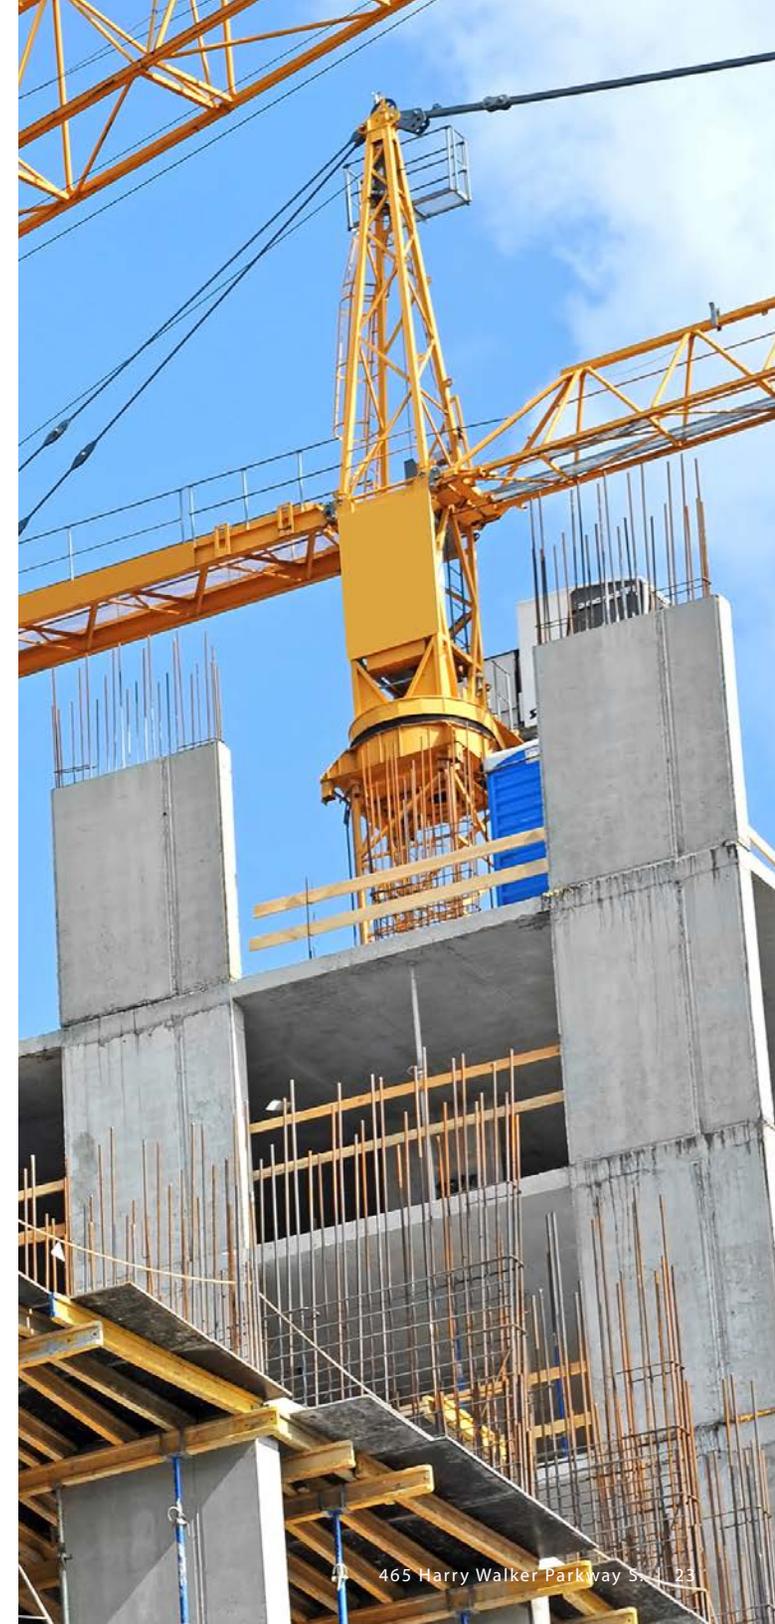

Our legacy is in construction. That's where we came up. ELM has always been boots on the ground, doing whatever it takes whenever it's required to get the job done. We go deep on every single line item, on every single contract. That level of meticulousness allows us to deliver rationale, stay accountable and consistently answer for the work.

DEVELOPMENT

Every project begins with a vision. Our vision is inspired by talking to users and trying to walk in their shoes. With that vision, we apply for the right entitlements and design a high-quality building. Typically, delivering high-quality real estate begins and ends with how you plan construction. We'd know because we do it ourselves. For over three decades as developers and landlords, ELM has proudly delivered properties our users love, and our team loves building.

ABOUT NEWMARKET

The Town of Newmarket is located in York Region and is home to over 85,000 residents. Newmarket has consistently been named one of the Best Places to Live in Canada by MoneySense Magazine and has garnered an international reputation for being one of the country's most dynamic, diverse and desirable towns to live and work in.

Newmarket is located between the bustling City of Toronto and picturesque cottage country – allowing us to retain small town charm while providing big city amenities such as premium health care facilities (Southlake Regional Health Centre), upscale shopping and retail (Upper Canada Mall and unique shops around Town) and advanced transit networks (vivaNext rapid transit system). Its proximity to 400 series highways, sprawling parks and trails and affordable housing makes Newmarket an ideal location for young families and professionals alike.
