### Strategic Location

The property represented is situated on the east side of US Highway #1, just north of the PGA Boulevard and US Highway #1 intersection. Property has an excellent location and surrounded by mature trees that gives the site a private look. Property has direct exposure to a navigable waterway to the eastern side of building. The building is walking distance to all major amenities, restaurants, businesses, and support facilities. This area has historically experienced high demand with low vacancy rates due to its central location. Property values, occupancy levels, and rent levels in the area have increased over the past several years with this trend expected to continue into the foreseeable future.
