Central Park Village

Location & Amenities

Located on Central Avenue in the City of Brea, Central Park Village has transformed a closed hospital (former Brea Hospital) and medical office complex into a vibrant mixed-use village benefiting the city and surrounding community. The Village consists of medical offices and residential components including 206 apartments, 81 Town homes, and 83 additional Town homes completed in 2020. The focus and heart of the Village, is the "Central Park", providing open space for tenants, visitors and local residents to enjoy.

Convenient Parking

A 582 stall parking structure is one of the many parking options for Central Park tenants, residents, and visitors.

Central Park

The focal point of Central Park Village is a one acre park benefiting Brea Medical Center tenants, visitors, and surrounding residents alike.

First Floor SUITE 100 6,922 RSF

Second Floor SUITE 200 5,259 RSF

Brea Service Area

The Outpatient Market Scenario Planner (MSP), as developed by the Advisory Board, provides current and projected patient utilization estimates for specific specialties in key markets across the US. The MSP tool supports planners, providers and hospital executives to make intelligent business development and strategic decisions to locate or expand programs in targeted markets. The below data is representative of the North Orange County zip codes that surround Brea Medical Center – which include 92821, 90631, 92835, 92823, 92870 & 92831. For more information on the Advisory Board, please visit www.advisory.com.
