# Dedicated spaces designed for productivity and creativity

## Flexibility

All WeWork locations feature scalable, flexible, and on-demand structures adaptable to teams of any size and needs, providing enough distance, professionally and socially.

## Health and safety

We've increased the frequency of our cleaning procedures to adapt to the post COVID-19 world.

## Intentional design

Our designs are conceived with purpose, keeping our members' needs in mind. We believe in stimulating, yet hyper-functional spaces.

## Workplace performance

We believe in thoughtful design-creating spaces inspiring greater collaboration, joy, and productivity.
