

# *Sanders Family Winery*

**More than just a winery. It's a place to hold events...**

People love to visit wineries and enjoy the drive to our "Countryside". Wineries are big tourist attractions. Sanders Family Winery and Vineyard is located in Pahrump, less than an hour's drive from Las Vegas.

The property, architecture, landscaping, and custom facilities are designed to host a multitude of events both inside and out. The Winery is a "**landmark**" and, includes Concerts, Special Events and other Theatrical Productions. It's also a "**Trademark**".

Sanders Winery is located at the South end of Pahrump. New housing developments are flourishing because our area is the closest to Las Vegas and access to the Winery on Kellogg Road.

Here are some of the Events and Gatherings we have hosted: All are profitable to our Winery and Gift Shop. Our Seasonal Concerts and Special Events, such as Our Grape Stomp Festival are huge customer draws and Exciting.

### **Graduations**

Great Basin Medical College  
Pahrump High School Jr. Sr. Prom

There are more than enough parking spaces to accommodate Guests near the Main entrance, under the Bell Tower. This includes four (4) handicapped parking locations.

Visitors love to walk around the estate, including the vineyards, and because of the magnificent views that surround our Valley. The entire north side of the property is wide-open for picnics and some dry camping stays by overnight RV Travelers.

The main building's grand entrance is the archway under the Bell Tower, allowing visitors and guests to walk through the amphitheater plaza into the Reception, Tasting and Gift Shop.

Visitors will notice the artistic metal Gazebo, a perfect place for weddings and other personal events.

Bistro Tables and Chairs adorn the entire open-air plaza, creating an invitation to stay awhile and enjoy some wine and snacks

Visitors will also notice stage lighting and stage area under the balcony. This is where many famous performers entertain during concert nights. The bell tower's 2nd floor is the amphitheater's production control room for lighting, sound and special effects.

**Yes, we are more than just a winery.....**

Sincerely

Jack W. Sanders
