

WAREHOUSE

A floor plan diagram showing a large rectangular area on the left labeled 'GARAGE'. To the right of the garage is a smaller rectangular area labeled 'BATH'. Below the bath is a narrow horizontal strip labeled 'HALL'. The diagram is drawn with thick black lines on a white background. The garage occupies the upper-left and middle-left portions. The bath is a square on the right side. The hall is a narrow horizontal strip at the bottom right, connecting the bath to the rest of the structure. There are several small black squares at the corners and along the bottom edge, possibly representing door handles or structural elements.
