WILMINGTON TRADE CENTER

Edgewater Ventures is excited to introduce Wilmington Trade Center – Building 3, the latest addition to the premier industrial development in Wilmington. Upon completion of all phases, Wilmington Trade Center's total area will span across 212 acres and encompass nearly 3.3 million square feet, providing tenants with unparalleled connectivity to the eastern seaboard of North and South Carolina, situated just a mile away from Interstate 140.

Wilmington Trade Center features top-of-the-line, tilt-up concrete construction, extensive glass lines, ESFR sprinkler systems, and 180'-185' deep truck courts. The future building plans range from 84,000 square feet to 1,000,000 square feet, with the opportunity to subdivide into smaller suites.

Currently, Buildings 1 & 2 are fully leased with the now delivered Building 3 adding an additional 100,081 SF.
