Area Summary

- Meridian, Idaho is located in the heart of the Treasure Valley and is currently one of the fastest growing cities in the Gem State.
- The Boise Airport is only a 15 minute drive away, there is quick access to Interstate-84 and major access to rail lines.
- There has been significant Commercial growth in Meridian. One project that is now in progress, is **The District at Ten Mile**. This is a 200 acre development that will include a hotel, restaurants, stores, offices and residential opportunities.
- Meridian is home to several corporations to include, **Idaho Timber**, **Scentsy**, and **Hill Construction**. There are also companies in technology, aerospace, and food production industries located in the area.
- Boise, Idaho is the largest city in Idaho and the third largest city in the Northwest. Boise is located just east of Meridian and is home to **Micron Technologies**, **Hewlett Packard**, **J.R. Simplot Company**, **Albertson's** and **Meta Platforms** is currently building a 960,000 square feet space to open in 2025.
- Idaho's Commercial Market is one of the fastest-growing commercial markets in the United States, with a 250% increase commercial and industrial construction over the past 15 years.

- Both, Boise and Meridian, are smart growth cities that offer a variety of commercial and residential opportunities. The two cities support local businesses, promote expansion and growth and their locations have a lot to offer.
