Colliers

Opportunity

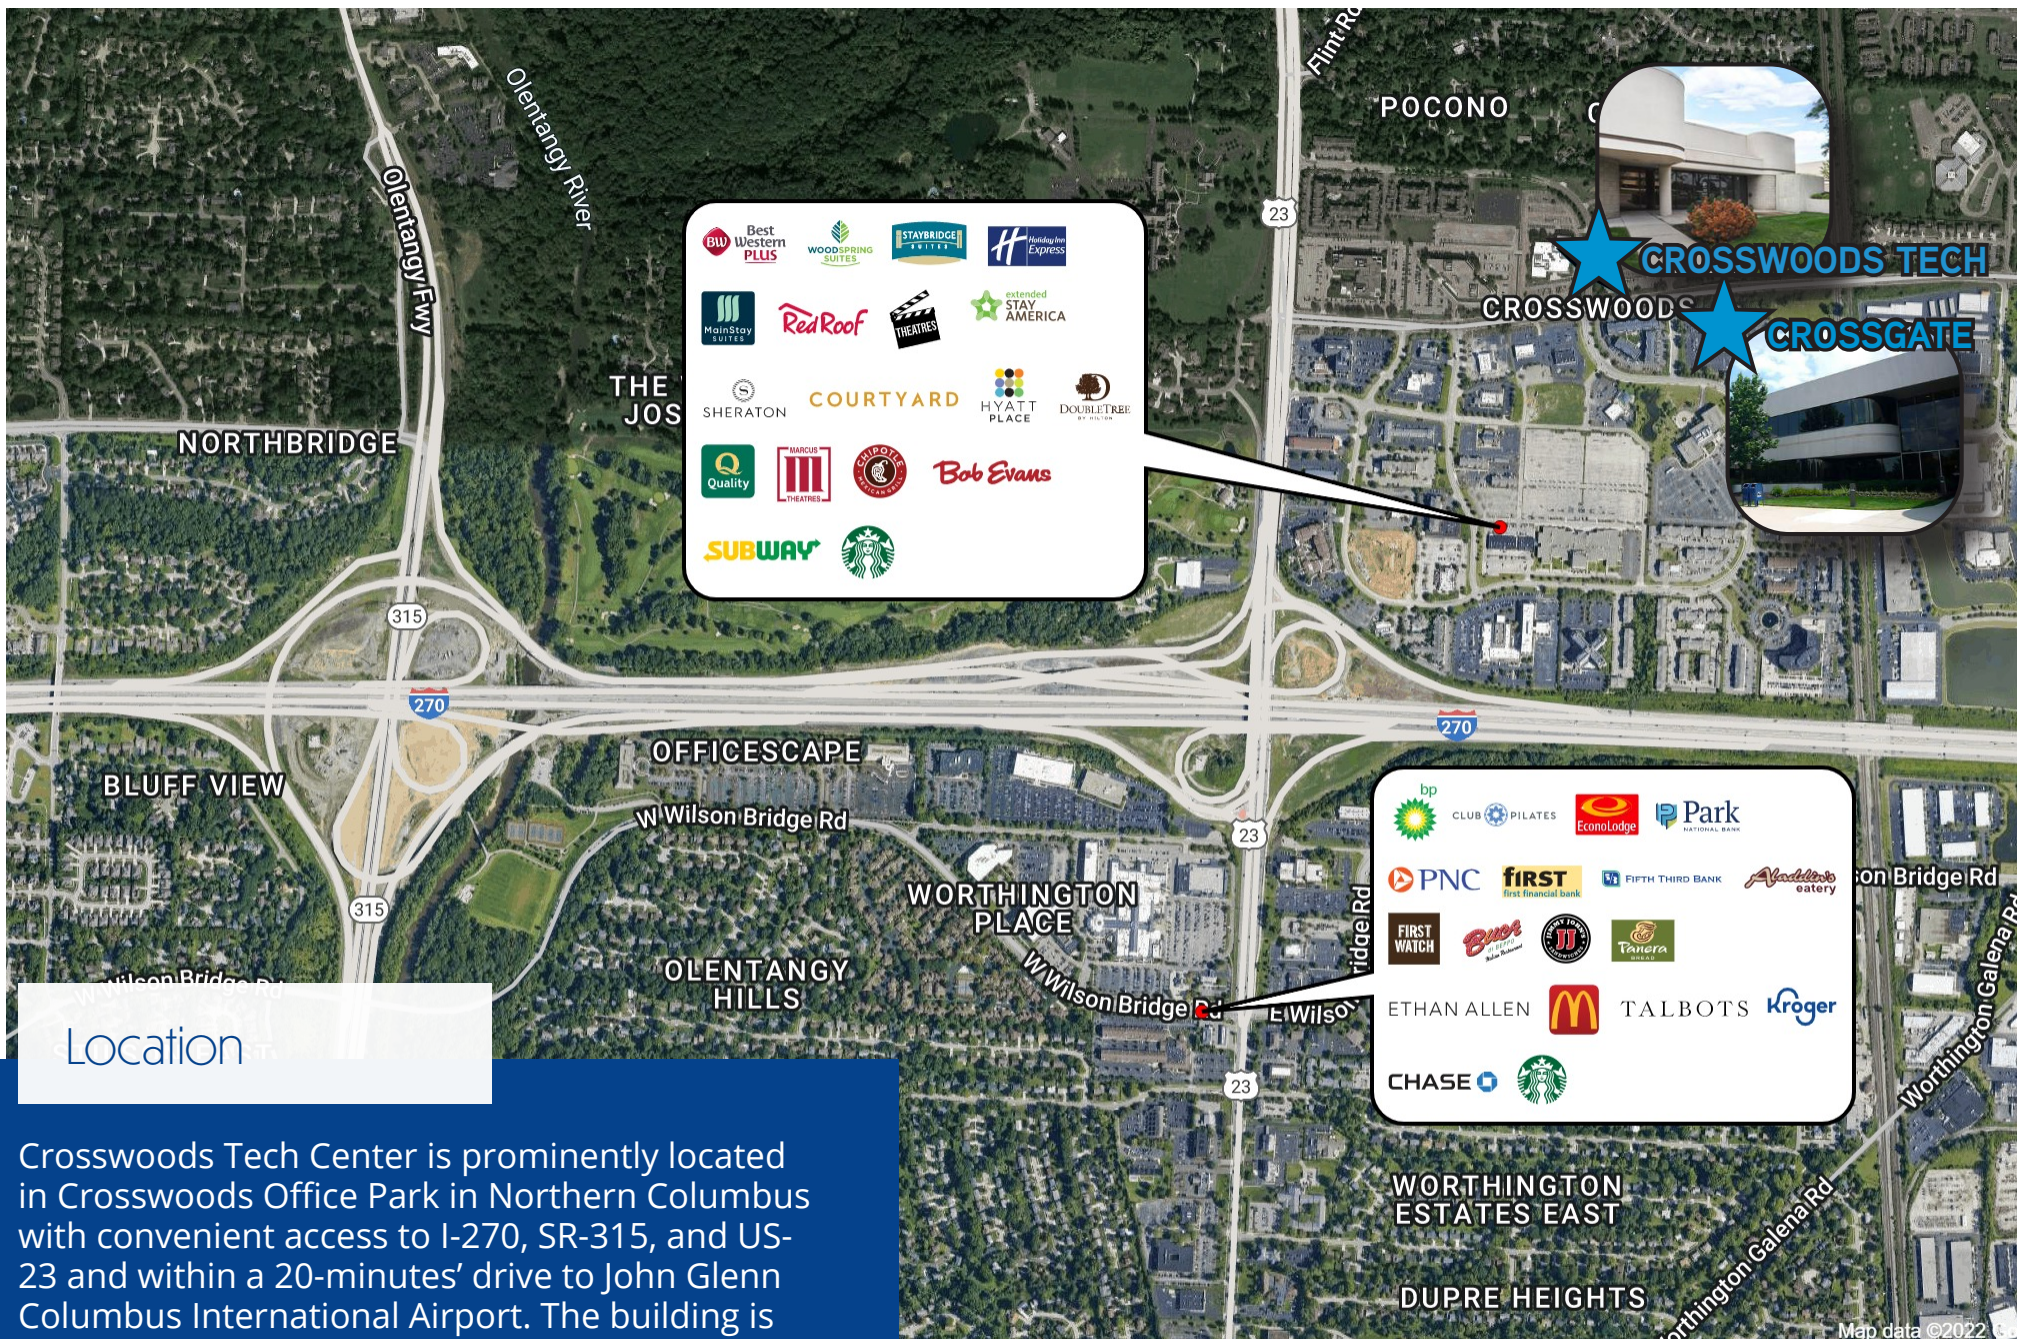

Crosswoods Tech Center is a 71,556 SF three-building office/flex campus centrally located in Worthington, one of Columbus, Ohio's top suburban submarkets. The buildings feature single-story 24/7 direct-entry suites with high ceilings, generous large windows in the front, and many suites including rear van-high dock doors that allow for direct shipping and receiving.

Crosswoods Tech Center

Features & Amenities

- Highly visible building signage
- Direct-entry single-story office and warehouse suites
- Abundant parking at a ratio of 4/1,000
- Convenient access to I-270, SR-315, and US-23
- Within a 5-minute walk to Starbucks and Chipotle and close proximity to numerous Crosswoods area hotels and restaurants.
- Located within an Opportunity Zone that provides the chance for business owners to earn federal tax incentives through Qualified Opportunity Funds. Please consult with your tax advisors to see if your business qualifies.
