TRIAD OF NC

The Triad, also known as the Piedmont Triad, is a region in central North Carolina that includes the cities of Greensboro, Winston-Salem, and High Point. This area is a major hub for commerce, education, and culture in the state, historically rooted in industries like tobacco, textiles, and furniture manufacturing. Today, the Triad has diversified its economy, with growing sectors in logistics, healthcare, biotechnology, and higher education, supported by institutions such as Wake Forest University, UNC Greensboro, and North Carolina A&T State University. The region offers a mix of urban amenities and suburban charm, with a central location that provides easy access to both the mountains and the coast.

Starbucks Corporation is an American global coffee company and coffeehouse chain based in Seattle, Washington. Starbucks was founded in 1985 as a local coffee bean roaster and retailer and has grown into the largest coffeehouse company in the world. There are 33,000+ Starbucks stores in 76 countries, including 15,041 in the United States. Starbucks locations serve hot and cold beverages, whole-bean coffee, micro-ground instant coffee, full-leaf teas, pastries, and snacks. Most stores also sell packaged food items, hot and cold sandwiches, and items such as mugs and tumblers. Starbucks Evenings locations also offer a variety of beers, wines, and small bites after 4pm. Starbucks has a strong presence both in the US and in the global marketplace due in part to its rapid growth over the last few decades. In the 1990s, Starbucks was opening a new store every workday, a pace that continued into the 2000s. The first store outside the United States or Canada opened in the mid-1990s, and overseas stores now constitute almost one-third of Starbucks' stores.
