VIDEO

## Property Description

1.7-acre parcel offering a versatile multi-family development opportunity in the heart of Newtown. Ideally positioned one block east of US-301, 2.5 miles from downtown Sarasota, and 3 miles from SRQ International Airport. The site also sits directly across from Dreamer's Academy and only 2 blocks from Booker Middle School, providing strong visibility and accessibility. The future expansion plans for the Legacy Trail will run right behind this property. This location would be perfect for a small townhome community - zoning allows for 9 units/acre. A thoughtfully designed daycare facility for either children or adults would be a great addition to the area with a special exception. A Phase I Environmental assessment has already been completed, streamlining the path toward development.
