All board fences shall be of the type with openings aggregating not less than Fifty percent (50%) of the fence. No fence will be constructed beyond the front of any dwelling; unless however, the fence is of the front-yard ornamental type.

20. No motor vehicle requiring what is commonly called a "commercial license" under the laws of the State of Missouri, or trailer, boat trailer, boat, camping truck, or similar vehicle shall be parked or permitted to remain on any lot in said subdivision unless such recreational vehicles are parked behind the residence or kept garaged. 21. 22. All motor vehicles remaining in any lot or street longer than Fifteen (15) days not in proper operating condition shall be hauled away and stored at the Owner's expense.

23. No junk, garbage, trash or garbage cans shall be permitted on the premises except that garbage cans for household use may be temporarily placed at the curb during garbage pick-up days.

24. There is hereby created a Board of Trustees, hereinbefore and hereafter called "Trustees", which will consist of three (3) in number and will be the governing body of the subdivision and have the right to prepare and enforce all reasonable rules and regulations for the enforcement of these restrictions and covenants.

(A) The first Board of Trustees shall have one member and shall initially consist of DALE CRAWFORD and shall serve until 2/3 of the lots are sold.

(B) Thereafter each member of the Board of Trustees shall serve for a term of Three (3) years or until his successor shall have been elected and qualified and be elected from among the Lot Owners. However Dale Crawford shall hold the office of Trustee as long as the developer owns any lot in the subdivision.

© In the event any of the Trustees shall die or decline to act or become incompetent to act for any reason, then the remaining Trustees shall appoint a successor or successors.

(D) A meeting of existing lot owners shall be held on the 1st Saturday of the first month after 2/3 of the lots have been sold and on the 1st Saturday of June every year thereafter for the purpose of electing Trustees and transacting any other business properly before the Lot owners. Said meeting shall be at a convenient place within the subdivision as designated by the existing Board of Trustees, after first giving Ten (10) days written notice by posting notices in the subdivision in Two (2) places likely to be seen by the Lot Owners; provided, however, failures to give said notices shall not affect the meeting.

(E) A special meeting of the Lot Owners may be called by the Trustees upon their own motion or upon petition of two-thirds (2/3) of the lot owners in the subdivision.

(F) In all voting, whether for the election of Trustees, or for any other purpose whatsoever, each Lot shall represent One (1) vote.

(G) The Trustees shall have the power and authority to prevent, in their own names as Trustees, violation of any express trust, any infringement, and compel the performance of any restriction. This provision is intended to be cumulative and not to restrict the right of any lot owner to proceed in his own behalf, but the power and authority herein granted to the Trustees is intended to be discretionary and not mandatory.

(H) The Trustees and their successors are hereby authorized, empowered and granted the right to make assessments upon and against the several lots in said subdivision for the purpose and at the rate hereinafter provided, and in the manner and subject to all the conditions hereinafter provided in this paragraph.

(1) To make uniform assessments of not to exceed \$ 350 on each improved lot in any one (1) year, upon and against the several lots in said subdivision for the

purpose of carrying out the general duties and powers of the Trustees to defend the enforce restrictions, and for improvements and maintenance and upkeep of the streets and wells. This assessment shall be due June 1 of each year.

(2) Upon the purchase of each lot, the lot owners shall deposit \$1,500.00 with the Trustees to be held in escrow for future hard surface improvements to the roadway. The Trustee shall have no duty to make hard surface improvements to the roadway and the exact nature of the hard surface improvements shall be at the discretion of the Trustees, which may include chip and seal, upon taking into account the costs of said improvements and the costs to maintain said improvements.

(3) If, at any time, the Trustees shall consider it necessary to make any expenditures requiring an assessment additional to the assessments above provided, they shall submit in writing to the Owners of Lots for approval an outline of the plan of the project contemplated, and the estimated amount required for completion of the same and the total assessment required. If such project and the assessment so stated shall be approved by written consent of the Owners of three-fourth (3/4) or more Lots in said subdivision, the Trustees shall, in the manner hereinafter described, notify all owners of lots in said subdivision of the additional assessments.

(I) All assessments, either general or special, made by the Trustees for the purpose hereinabove enumerated shall be made in the manner and subject to the following procedure, to-wit:

(1) Subject to the above consent of the Lot Owners, no assessment shall be made except upon resolution adopted by a majority of the Trustees, at a meeting of the Trustees which resolution shall be incorporated into, and made a part of, the minutes of said meeting. Minutes shall be kept of all Trustees' meetings.

(2) Notice of all assessments may be given by mail, addressed to the last known or usual post office address of the holder of the legal title, or may be given by posting a brief notice of the assessment upon the lot itself. Service in any one (1) of the said methods shall be sufficient.

(3) Assessments shall be made on an improved lot basis, as the lots are shown on the recorded plat of said subdivision.

(4) Every assessment shall become due and payable within Thirty (30) days after notice is given as hereinabove provided. From and after the date when said assessments are due, it shall bear interest at the highest rate allowed by law per annum until paid, and such assessment and interest shall constitute a lien upon said lot and said lien shall continue in full force and effect until said amount is fully paid, provided, however, that such lien shall never be prior to and shall always be subordinate to any Deed of Trust of record

whether before or after, in point of time.

(5) At any time after the passage of the resolution levying an assessment, and its entry in its minutes, the Trustees may in addition, execute and acknowledge an instrument reciting the levy of the assessment with respect to any One (1) or more lots, and cause same to be recorded in the Recorder's Office in the County of Lincoln, State of Missouri, and the Trustees shall, upon payment, cancel or release any One (1) or more Lots from the liability for assessment, as shown by recorded instrument, by executing, acknowledging and recording, at the expense of the Owner of the property affected, a release of such assessment with respect to any Lot or Lots affected, and the Trustees shall cause to be noted from time to time in the minutes of its proceedings the payments made on account of assessments. The assessment shall constitute a lien whether recorded or not.

(6) All statutory laws and rights for enforcing and collecting general taxes in the State of Missouri, now existing or which may hereinafter exist, are hereby referred to and made a part of this instrument for the collection of the aforesaid assessments, and any lien for an assessment filed pursuant to this Declaration of Restrictions shall have priority over any recorded Deeds of Trust.

(j) The Trustees may receive, hold, convey, dispose or administer in trust for any purpose mentioned in this indenture, any gift, grant, conveyance or donation of money, real or personal property.

(k) The Trustees, in exercising the rights, powers and privileges granted to them, and in discharging the duties imposed upon them by the provisions of this indenture, may from time to time enter into contracts, employ agents, servants, and labor as they may deem necessary, and employ counsel and institute and prosecute such suits as they deem necessary and advisable and defend suits brought against them individually or collectively, in their capacity as Trustees.

(l) Nothing herein contained shall be construed to compel the Trustees to make any payment or to incur any liability in excess of the amount of which shall be in their hands as the result of assessments made against Lot Owners as herein provided.

(m) The act or acts or any two (2) of the Trustees or the act of Dale Crawford when acting as the sole member shall, for the purpose of this indenture, have the same force and effect as if all the Trustees performed such act or acts.

(n) The Trustees shall not be personally liable for any debt, liability or obligation of the subdivision. All persons, associations or other entities extending credit to, contracting with, or having any claim against the subdivision may look only to the funds and property of the subdivision for the payment of any such contract or claim, or for the payment of any debt, damages, judgment or decree, or of any money that may otherwise become due

or payable to them from the subdivision Trustees.

25. These restrictions may be changed, modified or amended at any time in the future by written covenant signed by the Owners of Two-Thirds (2/3) of the lots in said subdivision. The said amendment or modification is to be and become effective only upon recording in the same in the office of the Recorder of Deeds of Lincoln County, Missouri. Such amendment or modification will not require the signatures of any holder of a mortgage, Deed of Trust, or other lien against the respective lots or the improvements thereon.

26. A cancellation of any of these covenants by judgments or other order shall in no way affect any of the other provisions, which shall remain in full force and effect.

27. The Owner WHITESIDE ESTATES L. L. C., reserve the exclusive right to amend restrictions or grant variances necessary stated herein as long as any lots are still owned by it or a successor developer.

28. The Owner shall not be liable for any assessment created in these restrictions and covenants.

29. The well lots as described on the plat herein shall be for the joint use of all lot owners of Whiteside Estates Subdivision and for their heirs, successors and assigns for the purposes of deriving water from the well located on the well lot and are hereby so dedicated.

30. Use of the well and the water coming from the well shall be at the discretion of each lot owner.

31. The expenses relating to the wells (hereinafter referred to as "expenses") shall be divided equally among the lot owners.

Notwithstanding any other provision contained herein, any lot owner of Whiteside Estates Subdivision causing damage to the well or well lot through negligence, or others for them or on their behalf, shall be wholly responsible for any damage resulting from any such negligence.

Notwithstanding the foregoing Owner shall be solely responsible for the cost of building and maintaining the well from the date of the filing of this document in the office of the Recorder of Deeds for Lincoln County, Missouri until one other lot owner in the subdivision becomes a water user.

32. The cost of constructing, maintaining, repairing and/or replacing any waterline leading from the main waterline to a lot owner's personal residence and/or shall be the

sole and exclusive cost of the lot owner whose lot is serviced by said waterline.

33. The Subdivision Trustees shall have the authority to oversee the maintenance of said well, well lot, and main waterline, and to collect from all users their allocable portion of the cost of maintenance, repair, replacement and operation of said systems which may be collected in the same manner as other assessments created by these Restrictions.

In addition to any other legal action, the Subdivision Trustees can terminate and make arrangements to cut off water, to any water user who is more than thirty (30) days behind in paying any fees or assessments and can collect from such water user the expenses incurred in cutting off the water and restoring the water and a \$40.00 fee for reconnecting as a condition to restoring water service.

34. The herein described wells, well lot and main waterline are hereby subject to all conditions, restrictions, and limitations herein set out, directing and limiting the use and maintenance of said wells, well lot and/or main waterline, and said conditions, restrictions, and limitations shall operate as covenants running with the land into whomsoever hands it shall come and shall be enforceable by the Subdivision Trustees or by any person or persons now or hereafter owning any portion of the land lying in Whiteside Estates Subdivision in behalf and for the benefit of any of them; and in the event the Subdivision Trustees fails to perform their duty to enforce these conditions and restrictions it shall be lawful for any person or persons now or hereafter owning any of the described lots in Whiteside Estates Subdivision or any interest therein to prosecute any proceedings at law or in equity, by injunction or otherwise, against any person or persons infringing or attempting to infringe, or omitting to perform or to keep, observe, or abide by the provisions herein for the purpose of preventing them from doing so or collecting damages for such infringement or omission or both.

IN WITNESS WHEREOF, the Owners have caused these covenants, conditions and restrictions to be signed on this 31st day of March, 2004.
