

Step out your front door and into an active lifestyle with best-in-class amenities.

- Rivers Pointe Estates is an expansive 400 acre community with a retreat-like setting offering nature preserves & community green spaces.
- The now open RIVERWORKS Community Center offers two pools, an event room, gathering porches, a fire pit, pickle ball & more!
- The Village Green will offer community lawn space for concerts & recreation.
- The Barn is a fun space for events and provides a convenient dog watering station at the Bootlegger Trailhead.
- Residents will enjoy over 6 miles of equestrian & hiking trails, including expansive views of the Ohio River at community overlooks.
- Forward thinking design and extraordinary efforts were made to retain 20% of the land as preserved green space and protected streams and watersheds.
- Future plans for primitive campsites will allow residents to enjoy the preserved greenspace.

Welcome to RIVERS POINTE ESTATES®

Rivers Pointe Estates® is a master-planned community on the ridge overlooking the Ohio River in Hebron, Kentucky only 18 minutes from Downtown Cincinnati.

The community offers a range of housing types in a nature-filled and retreat-like setting. Favorite amenities among residents include hiking/biking trails and the Village Green for gatherings. Four of the area's highest quality builders offer a variety of new-construction houses from luxurious custom homes to low maintenance patio homes and townhomes.

Rivers Pointe Estates is conveniently located to CVG International airport, dozens of Fortune 500 companies and an easy drive to Downtown Cincinnati. The area features a state-of-the-art public library, shopping, restaurants, parks and quality education including Boone County Schools & several private school options.
