

5,250 SF

The diagram shows a floor plan for a new construction area. A green double-headed arrow at the top indicates a total width of 5,250 SF. The plan includes a staircase with red square and circular markers, a rectangular room with a door, and a smaller room below it. Dimensions are given as 44'-4" for the top section and 34'-3 1/2" for the left section. The text 'NEW CONSTRUCTION' is written in green. The bottom of the plan is labeled 'STE 600'.
