Section 10-257. CM Medical Arts Commercial District.

The following applies to the CM Medical Arts Commercial District:

1. District Intent	PERMITTED USES	
<p>The CM district is intended to be located in areas designated Suburban on the Future Land Use Map of the Comprehensive Plan and shall apply to urban areas with convenient access to hospitals or other major medical facilities, wherein activities are restricted to medically related operations and support functions including residential uses and limited non-medical commercial retail, offices, and services which serve medical operations. The provisions of the CM district are intended to protect and promote the efficient operation of hospitals and associated medical facilities and promote safe and efficient vehicular and pedestrian access to these facilities. Medical centers are characterized by a variety of directly related medical facilities and indirectly related support businesses in close proximity to allow for efficient operations. Also, certain community and recreational facilities related to medical facilities are permitted. The maximum gross density allowed for new development in the CM district is 20 dwelling units per acre. Exclusively residential uses shall have a minimum gross density of 8 dwelling units per acre unless constraints of concurrency or preservation and/or conservation features preclude attainment of minimum density. The minimum gross density for mixed use projects is 6 dwelling units per acre.</p> <p>Development standards for properties located within the MMTD are established within Division 4 of this Code.</p>	2.
