Hollywood Beach and The Channel Islands Harbor

Hollywood Beach or “Hollywood by the Sea,” came alive in the 1920’s with the production of two notable old movies, and soon became a destination for Angelinos to escape the big city and settle into vacation mode.

The Channel Islands Harbor is a gem on the California coast between Port Hueneme and Ventura. It was built as a recreational harbor in the 1960s and has expanded to offer the public an eclectic mix of dining, retail, waterfront homes and a variety of aquatic activities year-round.

Harbor Activities Include:

- Sport Fishing
- Kayaking
- Gondola Tours
- Jet Ski Rentals
- Para Sailing
- Boat Charters
- Whale Watching
- Channel Islands Excursions
- Sunday Farmers Market
