OFFERING SUMMARY

Vista Commercial Advisors is pleased to offer for sale 12225 N Pecos St (the “property”), a 5,250 square foot multi-tenant office building that can be subdivided in to condo units containing 2,625 square feet each. Located along the North I-25 corridor: a key arterial highway connecting Denver to Fort Collins (to the North) and Colorado Springs (to the South). Nearby amenities include The Ranch (private country club), multiple fitness options including Hyland Hills Fitness Center, over 12 different banks, and too many retail amenities to list.

Taiva is located in North Metro Denver near the interchange of I-25 and 120th Ave approximately 12 miles from the Denver CBD and 30 miles from Denver International Airport. The area has experienced explosive growth as evidenced by all of the new dwelling units approved or being developed within 5 miles of the property. With the recent market shift and trend of relocating companies closer to their employee base, the condos are positioned perfectly to gain in value during your ownership.
