Carpinteria

World-famous beach with a side of tech

Carpinteria is a charming oceanside city conveniently located a few miles down US 101 from Montecito and Santa Barbara. The city is known for its beautiful beaches, agriculture, and the retail corridor along Linden Avenue. In recent years, many tech companies have made Carpinteria home. Among them are Procore, LinkedIn/Microsoft, Continental Auto Research, and NuSil. Carpinteria offers an attractive set of amenities that appeals to young tech workers, families, and seniors who seek an active community and outdoor lifestyle.

Sharing the coastline: The Santa Barbara area

The South Coast of Santa Barbara County is a continuous metro area encompassing Goleta, Santa Barbara, Montecito, Summerland, and Carpinteria. The area has been dubbed "Techtopia" for its burgeoning technology and engineering sector. Alternately, the area has been nicknamed the American Riviera due to its Mediterranean climate and beauty. Santa Barbara is 90 miles north of Los Angeles and is served by the Santa Barbara Airport and Amtrak. Tucked between the Santa Ynez Mountains and the Pacific Ocean, Santa Barbara promotes an outdoor lifestyle, averaging 300 sunny days a year.
