## Property Overview

CBRE is pleased to present the opportunity to acquire two adjacent properties in the prestigious Moffett Park submarket of Silicon Valley. In 2023, the city of Sunnyvale adopted the new Moffett Park Specific Plan with the vision of transforming this neighborhood into a vibrant Live/Work environment. The contiguous properties, totaling 2.0 acres, benefit from a Mixed-Use (MP-MU) zoning which allows redevelopment optionality for residential, office, and mixed-use properties. The neighborhood also provides immediate access to public transportation via the Borregas VTA light rail stop, amenities such as the newly constructed TETRA / AC Hotel, and direct access to the world famous San Francisco Bay Trails.

# Moffett Park Specific Plan

The properties are located within the Java/Borregas Activity Center and Plaza, identified in the Specific Plan's Urban Design Framework as a primary mixed-use and transit-oriented node within the SoJa Neighborhood.

The adopted framework envisions:

- Higher-intensity mixed-use development
- Residential over retail activation
- Public plaza and neighborhood gathering space
- Integration with the Java Transit Spine
- Enhanced pedestrian and bicycle connectivity
- Strong transit orientation to Borregas VTA

While currently zoned MP-MU, the site's placement within this designated Activity Center node positions it at the center of the City's long-term transformation strategy.
