THE OFFERING

Crest Commercial Realty is offering for sale the fee simple interest in a portfolio of two (2) office buildings on Old Troy Pike, located in a prime location in the Northeast Central Dayton Submarket. The office buildings are located in the City of Huber Heights, in Montgomery County, just off I-70, near a commercial district.

The single-story, multi-tenant buildings were built in 1987 and 1991, and are situated on 1.06 acres. Both buildings are brick construction and feature prominent monument signage. The buildings offer 7,130 SF of leasable space comprised of 7-8 suites. Each suite features a separate HVAC unit. The properties are well-maintained and 100% occupied.

Both buildings offer excellent curb appeal, attractive landscaping, and ample surface parking.

PROPERTY OVERVIEW

✓ **Two-Building Professional Office Portfolio - 100% Occupied**

Consistent tenancy across 7-8 suites appealing to investors seeking stable, low-volatility cash flow.

✓ **Strong Visibility & Access**

Located on Old Troy Pike offering a high-traffic location with excellent visibility and immediate access to local residential density.

✓ **Existing Monument Signage**

Unique value-enhancing attribute allowing larger signage than current zoning permits - rare for this submarket - and providing exceptional visibility and long-term marketing advantage for new ownership.

✓ **Durable Brick Construction**

Low-maintenance, single-story brick buildings with individually controlled HVAC units.

✓ **Desirable Small-Bay Suite Sizes**

Most suites in the North building are 100-300 SF, a highly leasable and always in demand category among professional users.

✓ **Local Tenant Mix with Sticky Occupancy**

Tenants include medical, financial and service providers - low turnover categories.

✓ **Below-Market Price Per SF**

The property is priced attractively versus comparable owner-user and office investment sales in Huber Heights and Dayton North.

✓ **Strong Upside Through Lease Positioning**

Short-term leases allow for suite reconfiguration, tenant upgrades, and repricing to market rents.
