THE OFFERING

Northmarq, on behalf of ownership, is pleased to present the exclusive offering of a 100% fee simple interest in the Engineering & Manufacturing Solutions property located at 105 Donovan Dr, Alexandria, MN 56308 ("Property").

The property features an absolute NNN lease with ± 10.5 years remaining, providing highly passive ownership with zero landlord responsibilities. The tenant covers all taxes, insurance, operating expenses, and capital expenditures. The lease includes annual rent increases at the lesser of 1.25x CPI or 2%, with four (4) remaining fiveyear renewal options, offering long-term income stability and growth potential.

The Tenant is a leader in producing custom-engineered plastic components and assemblies. The company serves industries requiring high precision and complexity, excelling in intricate production processes, assisting with new product launches, and managing product life cycles to ensure exceptional quality and operational efficiency.

Offering Price:
\$6,133,787
