INCENTIVES

1

JACKSON COUNTY ENTERPRISE ZONE

Tax abatement is available for Standard (3 years) and Extended (up to 5 years) terms. Term varies based on a employee compensation, and requires local agreement.

2

STRATEGIC INVESTMENT PROGRAM

The Strategic Investment Program exempts a portion of very large capital investments from property taxes for 15 years. The program is available statewide.

3

CONSTRUCTION-IN-PROCESS

With timely filing for each of up to two years, unfinished facility improvements may be exempt from local property taxes. In an enterprise zone, most authorized businesses enjoy a somewhat broader tax abatement using another.

4

THE OREGON INVESTMENT ADVANTAGE (OIA)

This program helps businesses start or locate in a number of Oregon counties by providing a multiyear, income tax (on new business operations) deduction potentially eliminating state business tax liability during an eight- or nine-year period after operations begin.

OPPORTUNITY ZONES

Opportunity Zones can deliver significant tax savings on medium to long-term investments in economically disadvantaged communities. This new tax incentive pertains to both the capital gains invested initially through a qualified opportunity fund, as well as capital gains earned for the investor from businesses or projects in a zone.

ZONING: I-L - LIGHT INDUSTRIAL DISTRICT

The I-L district provides land for warehouse, office, and low intensity industrial uses in areas near residential and commercial zones.
