This beautifully renovated 2,525 SF industrial flex space offers a rare combination of functionality and character, with approximately 25% built-out office and the balance open warehouse/flex space. Recently completed renovations give the space a fresh, modern feel—ideal for car storage, creative workshops, hobby use, artist space or even a high-end personal storage. Located within a mixed-use apartment development, the space enjoys a unique, tucked away atmosphere while still offering excellent access, security and visibility. One of the standout features is the oversized glass roll-up doors with exclusive driveway access, which flood the interior with natural light, provide the potential for daytime outside use and provide a striking architectural touch rarely found in industrial/flex spaces of this size. The property also benefits from ample on-site covered parking with exclusive driveway access, further enhancing its appeal for the tenant. With its flexible layout, premium finishes, and immediate availability, this space is an exceptional opportunity for a tenant seeking a high quality, small-scale industrial/flex environment.

# SANTA BARBARA THE AMERICAN RIVIERA

**Symbolizing the ultimate in casual California lifestyle, Santa Barbara is undoubtedly one of America's most desirable destinations in which to live and travel.**

Located on a pristine coastline approximately 332 miles south of San Francisco and 92 miles north of Los Angeles, Santa Barbara is nestled between the Pacific Ocean and the Santa Ynez Mountains. This stretch of coast is known as the “American Riviera” because of its mild Mediterranean climate.

With a population of approximately 87,000, Santa Barbara is both small and vibrant. Locals and visitors are drawn to the city's charming downtown and picturesque State Street with its rich Spanish architecture and historical sites, wide variety of shops and galleries and numerous Zagat-rated restaurants. Pristine, sunny beaches, an expansive harbor and countless attractions including the Santa Barbara Zoo, Santa Barbara Mission, Arlington Theatre, Stearns Wharf, Santa Barbara Museum of Art and Santa Barbara Museum of Natural History all add to the area's appeal. And with nearly 200+ vineyards within a short drive, Santa Barbara County is a renowned wine region offering an array of some of the finest labels in the world.
