Downtown Office Building

200 N Thornton Avenue, Orlando, FL 32801

This two-story office building in the charming Thornton Park area has a classic design that offers plenty of character. The space features generous square footage, a mix of private offices and open workspaces, and a prime location just steps away from local cafes, boutiques, and parks. Most recently used as a law office, we anticipate this well-located property won't last long.
