SOUTHSIDE ENHANCEMENTS

EXPECTATIONS

- Focus on residential and commercial development in the Walter Jetton area
- Support and enhance the Southside Steering Committee in its efforts to guide policy and incentives decisions
- Expand the recruitment of businesses to the Southside residential and business district through incentives

ACCOMPLISHMENTS - 2021 TO PRESENT

Southside Rise & Shine Neighborhood Spruce Up

Since beautification emerged as one of the themes from the March neighborhood meetings, the City team established the **Southside Rise & Shine Neighborhood events** which began in June 2021. Through Southside Rise & Shine, the City initiated a partnership with CFSB to provide financial literacy in underserved neighborhoods. Rise & Shine was accomplished with 104 volunteers, 788 hours of volunteer service, and 815 city staff hours. More than 130 tons of garbage was collected in addition to the filling of 60 large dumpsters and the disposal of 1032 tires.

Infrastructure

- The Bridge Street Road Improvement Project is completed with paving, striping, sidewalk, accessible ramps, curbs and gutters, and drainage improvements. This project improved Bridge Street from Broad Street to Irvin Cobb Drive.
- The tree boulevard on Walter Jetton Boulevard has been extended at Leake Street with accessible ramps also added at Leake Street.
- Road improvement is underway on South 9th Street from Husband Road to near Fisher Street with the replacement and addition of curb, gutters, and sidewalks with accessible ramps.
- The design is underway for roadway improvements to South 25th and South 24th Streets. A stormwater detention area will be created on South 24th Street.

Incentives

Planning staff is developing an incentive program for housing stabilization and for beautification of the initial target area, the Walter Jetton Neighborhood.
